

HOW TO SCAN A QR CODE

1. Using the camera app on your mobile phone or tablet, hover over the QR code.
2. Once the camera is focused on the QR code, a web address or link will appear.
3. Click the link, and you will be taken to an audio clip.
4. The clip will play automatically!

FOR MORE INFO ON THIS PROJECT VISIT THE COWICHAN VALLEY SCHOOL DISTRICT'S WEBSITE.

Thank-you to the Hul'q'umi'num' speaking students from Alexander Elementary!

YOUR GUIDE TO DOWNTOWN DUNCAN'S HUL'Q'UMI'NUM' SIGNAGE.

"In partnership with students from Alexander Elementary school and the Cowichan Valley School District, The Downtown Duncan Business Improvement Area society has created this brochure to help locals and visitors alike learn how to pronounce our bilingual street signage. These signs feature both English and the Hul'q'umi'num' words. The Hul'q'umi'num' words were chosen by a special committee of Cowichan Tribes youth and elders in partnership with the Downtown Duncan BIA and installed with thanks to the City of Duncan. Scan the QR codes in this pamphlet with a mobile phone or tablet to go directly to an audio clip that plays the proper Hul'q'umi'num' pronunciation of each street sign. The voices that you hear in these clips are students from the Cowichan Valley School District who are working on learning and practicing the Hul'q'umi'num' language, just like us!"
