3. INSTRUCTIONS

1. Questions

- a. There is a note (in Dwg 101, shown below) about all property boundaries need to be marked prior to construction. Property boundaries can only legally be marked out by a BCLS. Should our construction survey scope include property line legal survey?
 - i. **The Owner's BCLS, McElhanney, will perform legal property line verification survey prior to construction. This is not to be included in Contractor's scope within the tender submission.**
