

**Canada Avenue Sanitary Sewer Upgrade Project**

**Location: Canada Avenue/Island Rail Corridor/Duncan Street**

**Start: August 9th, 2021**

**Supply and installation of 115 meters of sanitary trunk main including a steel casing pipe to re-route and replace the existing sewer line.**

**Dear Parking Lot Users:**

**Please be advised that the south section of the Canada Ave paid parking lot will temporarily be closed to the public starting August 9, 2021.**

**This area will be used as pipe / equipment storage and assembly site for the Canada Ave Sanitary Sewer Upgrade Project.**

**Please use the entrance from Canada Ave to access the north section of the parking lot, which will remain open.**

**The entrance from Queens Road will temporarily be closed to the public.**

**Alternate paid parking is available along Duncan Street.**

**Monthly pass parking is available at the Island Savings lot.**

**This project is expected to last until mid to late September.**

**Thank you for your cooperation and we apologize for the inconvenience.**

**John Pite**
