Dear Residents of Duncan,

Air Bud Entertainment will be filming scenes for a new TV series titled "Super Pupz" in Duncan on Tuesday, September 29th. There will be filming happening around Craig Street, Kenneth Street and City Square. There will be road closures in place from 7:00AM to 10:00PM on Tuesday. Craig Street will be closed to vehicles from Station Street to Ingrim Street. Kenneth Street will be closed to vehicles from Canada Avenue to Jubilee Street.

We will be using artificial smoke and lighting effects on set to simulate a fire scene. There will not be any real fire being used.

Businesses will be open as usual. Production Assistants will be on site to assist public and conduct intermittent pedestrian control for safety and to film our scenes. If you have any questions or concerns, please contact Laura Jennifer Russell, Cowichan Valley Film Liaison at 250-732-1419. Alternatively, you can contact Nathan Lomax, Location Manager at 250-889-6399.

Air Bud Entertainment would like to thank residents, businesses and the City of Duncan for their patience and support of the film industry on Vancouver Island.
