

Project/File: TCH MUP: Cowichan River to 140 TCH
Addendum No.: One (1)
Date: November 23, 2023
To: Tenderers/Bidders
Contract No.: City of Duncan Tender No 2023-02

This addendum is to be read with and constitutes part of the tender documents.

1 INSTRUCTIONS:

1. Synthetic Turf (Rymar 81) is being deleted from the contract and the owner is looking at options to be replaced the impacted area with a different surface treatment. The Synthetic Turf is shown on drawing L101, east side of the Multi-Use Pathway from Al Wilson Grove to approximately 80m north. The owner is looking to replace with either Stamped Coloured Concrete (Pattern FM-3125, as already utilized on the project) or 25mm minus Drain Rock (clean round stone, 150mm thickness)
 - a. Revise the Schedule of Quantities and Prices as follows and per below.
 - i. Delete item 'Synthetic Turf' under Division 32, Other Finish Surfaces.
 - ii. Add two surface treatments under the Optional Revise quantity of 'Stamped Coloured Concrete' under Division 03, Stamped Coloured Concrete to 195 square meters.
