

Councillor Carol Newington

E cnewington@duncan.ca

Born and raised in Duncan. I moved to Ontario where I raised my family and returned to my hometown, Duncan, in 2005.

I have a strong sense of community and volunteer with the Hospital Auxiliary and the Cowichan Music Festival.

I worked at Queen Margaret's School Equestrian Centre until June of 2016, when I retired.

Common sense fiscal responsibility is very important as our city grows. Infrastructure in the City is aging and I am pleased to work with Council needs to find an economical, long term solution for the future of our community.

It is important to work with all the stake holders to find solutions for affordable, safe housing and a relief from the current opioid crisis in our valley. This will be of benefit to all residence and the community.

Having the Duncan city core the centre of the Cowichan Valley can be achieved by working with the Downtown Business Association and the island highway businesses.

As a former Scouts Canada Leader and Youth Coach the health, wellness and safety of our youth is extremely important to our future and should be supported in this community.

I am thrilled to have the opportunity to listen and support YOU on issues that are important to you and work with the Duncan City Council Team.
